Prime of Life Women's Soccer League

COVID-19 PANDEMIC CONSENT FORM

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Prime of Life Women's Soccer League has put in place preventative measures to reduce the spread of COVID-19; however, Prime of Life Women's Soccer League cannot guarantee that you or your spectators, friends, or family will not become infected with COVID-19. Further, attending Prime of Life Women's Soccer League events could increase your risk and your spectators, friends, or family's risk of contracting COVID-19.

I will notify the Team Captain immediately if I have been exposed or if I test positive with COVID-19.
